David and Dustin,

A couple very light edits from me, and cleared with Josh. Any concerns?

David and Dustin,

Matt is currently serving as an acting assistant general counsel for the NSPS and Regional Haze group. He asked me to provide staff coverage on Texas regional haze. Please loop me in going forward. Thank you!

Dan

I haven't heard discussion of a final action date (I think the plan is to wait until we know how many comments we have), but I will check with the program to see if they have a loose date for internal planning purposes.

Thanks Josh. Not for the report, but when do you anticipate a final action?

Thanks,

Dave

Dave, we have been busy on the BART component of Texas Regional Haze:

On August 27, 2018 EPA published a Federal Register Notice (83 FR 43586) (attached) proposing to affirm our October 17, 2017 SIP approval and FIP promulgation and to provide the public with an opportunity to comment on relevant aspects.

EPA held a public hearing in Austin, Texas on September 26, 2018.

The public comment period on this proposed action closes on October 26, 2018.

We have fifth circuit status report due next Friday, October 5. Any updates?

Thanks,

Dave
